

Activity E: Investigating Pond Life

Name		School	
Class		Date	

What do you observe in and around the pond? Make drawings of at least three organisms which you observe. Label the drawings as carefully as possible, noting whether the organism lives in the water, on the water or next to the water.

<p>Organism 1 Name = Magnification =</p>
<p>Organism 2 Name = Magnification =</p>
<p>Organism 3 Name = Magnification =</p>
